

## Danger Zone

Air

Yeah.

I was talkin' to somebody,  
Just the other day,  
About how everybody  
Seems to look the other way.

It's a shame.  
Don't know which way we'll go, no.  
Well, everywhere I look,  
It's so plain to see,  
We're living in a danger zone.  
I was lookin' at the news,  
Just the other night.  
So much pain and misery,  
You know it ain't right.

It's a shame.  
Don't know which way we'll go.  
Well, everywhere I look,  
It's so plain to see,  
We're living in a danger zone.

Outside you can feel it everywhere,  
We're living in a danger zone.  
Outside you can feel it in the air,  
We're living in a danger zone.  
Yes, we are.

Outside you can see it everywhere,  
We're living in a danger zone.  
Outside you can feel it in the air,  
We're living in a danger zone.

Outside you can see it everywhere,  
We're living in a danger zone.  
Outside you can feel it in the air,  
We're living in a danger zone.

Yeah.  
Living in a danger zone.  
Yes, we are.  
Living in a danger zone.
