Danger Zone

Yeah. I was talkin' to somebody, Just the other day, About how everybody Seems to look the other way. It's a shame. Don't know which way we'll go, no. Well, everywhere I look, It's so plain to see, We're living in a danger zone. I was lookin' at the news, Just the other night. So much pain and misery, You know it ain't right. It's a shame. Don't know which way we'll go. Well, everywhere I look, It's so plain to see, We're living in a danger zone. Outside you can feel it everywhere, We're living in a danger zone. Outside you can feel it in the air, We're living in a danger zone. Yes, we are. Outside you can see it everywhere, We're living in a danger zone. Outside you can feel it in the air, We're living in a danger zone. Outside you can see it everywhere, We're living in a danger zone. Outside you can feel it in the air, We're living in a danger zone. Yeah. Living in a danger zone. Yes, we are.

Living in a danger zone.
