

## Once Upon a Time

Air

No time before it's too soon  
No time after it's too late  
Time's getting old, time's over now  
Don't try to be on time  
Don't try to run after time  
Time's getting on, time's over now

I'm a little boy, you're a little girl  
Once upon a time  
I'm a little boy, you're a little girl  
Once upon a time  
Time's getting on, time's over now  
I'm a little boy, you're a little girl  
Once upon a time  
I'm a little boy, you're a little girl  
Once upon a time  
Time's getting on, time's over now

I'm a little boy, you're a little girl  
Once upon a time  
I'm a little boy, you're a little girl  
Once upon a time  
Time's getting on, time's over now  
I'm a little boy, you're a little girl  
Once upon a time  
I'm a little boy, you're a little girl  
Once upon a time  
Time's getting on, time's over now
