

## Run

Air

Holy girl  
Don't get up  
For running

Stay with me  
I feel sad  
When you run

Sands of time  
Are lying  
On my chest

Stay in bed  
I feel sad  
When you run

Stay like this  
On the hills  
Of my chest

Don't wake up  
I feel strange  
When you go

Stop the night  
Hold me tight  
Holy girl

Don't stand up  
I feel strange  
When you go
