

## Surfing on a Rocket

Air

Time for flying rockets  
For silver jets  
For surfing bombs  
Surfing on a rocket

Don't pray to go  
Please take my hand  
Don't get me down  
Surfing on a rocket

I'll be back one day  
Just pray for me  
I'm on my way  
Surfing on a rocket

No one can stop me to go  
You'll never see me again
