

# The Dream of Yi

Air

Somebody told me what I could not be  
They said the stars are too far and the sky would stop me  
They said I'm dreamin and just tryna wake me  
But my will is too strong they just tryna break me

I say yes I can, yes I will  
What I imagine, I make it real  
Yes I can do it, yes I will be  
And every day is getting closer to me

I see a dream in the air, and I believe  
I can ride the clouds, it's not outta reach  
I see a dream in the air and I believe  
That I can win, it's when the sky came down to me  
Dream in the air

Don't need a spotlight, I don't care who's watching (NO)  
This is personal, I'm a climb the mountain  
Used to seem so high, seems so impossible  
But faith can cross the deepest sea  
Now I'm here cause I believe

Say, yes I can, yes I will  
What I imagine, I'll make it real  
Yes I can do it, yes I will be  
And every day is getting closer to me

I see a dream in the air, and I believe  
I can ride the clouds, it's not outta reach  
I see a dream in the air and I believe  
That I can win, it's when the sky came down to me  
Dream in the air

This is why I live and everything I give  
Is because I know it's possible  
Never let em kill my dreams  
I know they hope that I would give up  
I never had a doubt about it  
I reached in the sky and got it.

I see a dream in the air, and I believe  
I can ride the clouds (can't nobody stop me), it's not outta reach (I  
'm invisible)  
I see a dream in the air (cause I believe) and I believe  
That I can win, it's when the sky came down to me
