

## Universal Traveler

Air

I know so many places in the world  
I follow the sun in my silver plane  
Universal traveler

If you have a look  
Outside on the sea  
Everything is white  
It's so wonderful  
Universal traveler

So far, so far  
So far away

I met so many  
People in my life  
I've got many friends  
Who can care for me  
Universal traveler

Just feel everywhere at home  
Tomorrow  
Is a brand new day  
Let's go somewhere else  
Universal Traveler

So far, so far  
So far away
