

Armed and Dangerous

Airbourne

With a cocked and loaded gun and the girl of my dreams
I can't control myself know what I mean
I had one too many pills now I'm high on sextasy
Yeah I'm a supercharged hot blooded sex machine

Armed and dangerous
Better hold on tight
I'm armed and dangerous
All trough the night
Armed and dangerous
oh feel my snake bite yeah
I'm armed and dangerous
Better hold on tight alright

I'm just checking her oil and sirring up her cream
Bringin' her, to the boil making her jump and scream
Say, the longer I go honey the longer I get
And if I run out of ammo I just use my bayonet

Armed and dangerous
Better hold on tight
I'm armed and dangerous
All trough the night
Armed and dangerous
oh feel my snake bite yeah
I'm armed and dangerous
Better hold on tight alright

I'm armed and dangerous
I'm armed and dangerous
I'm armed and dangerous
Like a bullet like a bomb I'll take you on

Armed and dangerous
Better hold on tight
I'm armed and dangerous
All trough the night
Armed and dangerous
oh feel my snake bite yeah
I'm armed and dangerous
Better hold on tight alright
Cause I'm armed
I'm armed, I said I'm armed
I said I'm armed and dangerous alright

Armed and dangerous
Better hold on tight
I'm armed and dangerous
All trough the night
Armed and dangerous
oh feel my snake bite

I'm armed and dangerous
All through the night alright

I'm armed and dangerous
I'm armed and dangerous

Sextasy

I'm armed and dangerous

I'm gonna give to you

I'm armed and dangerous

All through the night
