

Dancing Kings

Airfare

I'm a kamikaze pilot
I'm headin' straight up high for that city in the sky
well, it's so easy and I'm a sucker for a short skirt baby
you see me, I roll tonight
I'm gonna have a real good time, aright yeah
I got my moves orchestrated
gonna free my whole mind

We are the dancing kings, come on and dance with me

I'm not so well off, oh no my darling, as I was yesterday
I'm sucking down air
well, even the sweat flows down my face
still I'm on a roll tonight, I'm gonna have a real good time
I got my moves orchestrated
gonna free my whole mind

We are the dancing kings, come on and dance with me

You're a bad bad boy, you get the money
Are you a bad bad boy, you get the money you bad bad boy
