

Dangerous

Airfare

I'll shake you up
I'm on a mission from god
I'm like an earthquake baby
and I'm takin' you on
I don't tread lightly, don't take it lightly at all
I'm not affected by bullets, I ain't afraid of bombs

I'm all strapped in and now chaos can begin
the freedom fighters from past lives all watch from heaven
I'll rock foundations of nations with explosions of sound
I'm callin' legions of people to tear the government down

I'm a little bit dangerous
nobody ever wanna ride with us
come child to the old sound
you don't need to be old to get down
if you wanna move all night to breakneck tempo
come and ride with us, come and ride with us

I'm a little bit dangerous
nobody ever wanna ride with us
I'm a little bit dangerous
nobody ever wanna ride with us, ride with us

I'll shake you up
I'm on a mission from god
I'm like an earthquake baby
and I'm takin' you on
I don't tread lightly, don't take it lightly at all
I'm not affected by bullets, I ain't afraid of bombs

I'm a little bit dangerous
nobody ever wanna ride with us
I'm a little bit dangerous
nobody ever wanna ride with us, ride with us
