King For A Day

They want to eat you alive, so you better act nice. Better keep your cool throughout the night. Gotta keep that eye on the prize. If I may be king for a day I'll get shot in the back the very s ame day. And what were you on when all the laughter came falling out you ? This kid's in love with you, it's all over his face. This kid's in love with you, it's all over.
