Don't get too careless. Before you know it all the young ones b
ecome the old, yes.
So let's destroy it, and let's get vicious.
This system was built for the joyless.
Well in the dark kids are sweatin' and they are forming a mob.
And all the people who made them will now chase them out the do
or.
It's just like world war, just like world war, just like world
war three.
Don't be to feckless. Before you know it all the gifted become
the tone-deaf.
So let's destroy it, and let's rebuild it.
This system was built for the worthless
