

# Awakening

## Airlock

There was a time i said i loved you,  
A time i thought you cared  
A time when things were flowing,  
But now i'm lost for words

I tried so hard to understand,  
In silence and emotion  
You take my smiles away from me  
With your careless notions

Will you bring me down  
Will you lift me up - will you lift me up

Chorus :

I want to be me  
When the night is fading, morning's waking

Didn't do what you were supposed to  
Do when you said you would do  
Holding on while all along  
I was scared to say goodbye

Those days have gone, the time has come now  
For me to draw the line  
My mind is made up baby  
I won't play your game

Chorus

Will you bring me down  
Will you lift me up

I wanna be me&
