

Spirit Party

Airship

Do you wanna come around?
I know you really wanna come
'Couse tonight might be
The night that we, we have a Spirit Party
We have a Spirit Party

They're coming out the woodwork
To tell us what they really heard
Yeah tell me what you really heard
Because I want to, I want to hear

Say it louder now
Tell me louder now
I want to hear it now
We have a Spirit Party

Let's have a Spirit Party !!!

Do you wanna come around?
'Couse I know well you wanna come
'Couse tonight might be
The night that we, we have a Spirit Party

Say it louder now
Tell me louder now
I want to hear it now

Let's have a Spirit Party !!!

Let's have a Spirit Party !!!
Let's have a Spirit Party !!!
Let's have a Spirit Party !!!
Let's have a Spirit Party !!!
Do you wanna come around?
Say it louder now
Say it louder now
Let's have a Spirit Party !!!
Do you wanna come around?
Say it louder now
Say it louder now
Let's have a Spirit Party !!!
Let's have a Spirit Party !!!
