

## How Did You Know

Seguerra, Aiza

I remember so well  
The day that you came into my life  
You asked for my name  
You had the most beautiful smile

My life started to change  
I'd wake up each day feeling alright  
With you right by my side  
Makes me feel things will work out just fine

How did you know  
I needed someone like you in my life  
That there's an empty space in my heart  
You came at the right time in my life

I'll never forget  
How you brought the sun to shine in my life  
And took all the worries and fears that I had  
I guess what I'm really trying to say  
It's not everyday that someone like you comes my way  
No words can express how much I love you

How did you know  
I needed someone like you in my life  
That there's an empty space in my heart  
You came at the right time in my life
