

Miss You Like Crazy

Seguerra, Aiza

Even though it's been so long
My love for you keeps going strong
I remember the things that we used to do
A kiss in the rain till the sun shine through
I tried to deny it but I'm still in love with you

CHORUS:

I miss you like crazy
I miss you like crazy
Ever since you went away
Every hour of every day

I miss you like crazy
I miss you like crazy
No matter what I say or do
There's just no getting over you

I can see the love shining in your eyes
And there comes a such a sweet surprise
If seeing's believing it's worth the wait
So hold and tell me it's not too late
We're so good together, we starting forever now

CHORUS

I miss you like crazy
I miss you baby
Love like ours will never end
Just touch me and we're there again

Just one night
And we'll have that magic feeling like we used to do
Hold on tight and whatever comes our way we gonna make it through
It seems believing is worth the wait
So hold and tell me it's not too late
We're so good together, we starting forever now

CHORUS

And I miss you, I missed you
All the tender love you gave me
A feeling gets this strong
You know the real thing's come along
And I miss you

I miss you like crazy baby
Only your sweet love can save me
I miss you like crazy
A love like ours will never end
Just touch me and we're there again
I miss you like crazy
I miss you like crazy
No matter what I say or do
