

Put A Little Love In Your Heart

Seguerra, Aiza

Think of your fellowmen
Lend them a helping hand
(Put a little love in your heart)
That's right now, baby

You see it's getting late
Oh please don't hesitate
(Put a little love in your heart)

And the world will be a better place
And the world will be a better place
For you and me
You just wait and see

Another day goes by
Still the children cry
Put a little love in your heart

If you want the world to know
We won't let hatred grow
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you and me
You just wait and see

Yeah yeah yeah...
Put a little love...
Put a little love...
In your heart
Put a little love in your heart
Put a little love in your heart

Take a good look around
And if you're looking down
Put a little love in your heart

I hope when you decide
Kindness will be your guide
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you and me
You just wait and see

Yeah yeah yeah...
Put a little love
Put a little love in your heart
That's right now, baby
Put a little love in your heart
Put a little love in your heart
Love in your heart

And the world will be a better place
And the world will be a better place

For you and me
You just wait and see

In your heart
Put a little love in your heart
That's right now, baby
Put a little love in your heart
Put a little love in your heart
Put a little love in your heart
Put a little love
Help me out!
