How Deep Is Your Love

I'm trying... not To be falling While I'm into Thinkin' of you Wanna touch you I'm drowning Inside you Forever And ever How deep is your love? I'm trying ...to See you flying Wanna take you Into the blue Wanna hold you I'm feeling So magic When you're here There's no fear how deep is your love I'm falling Inside this feeling So keep me falling Right inside you Having no clue Keep me falling We're falling Into the blue Having no clue What should we do We'll be falling in.
