

Kylie give me... Kylie give me...

Baby, you're the one that melts my heart,
I swear I'm not lying
Maybe, tonight I'm gonna try my luck
I can see that you want me

I'm dreaming about you every night; every night!

Kylie, give me just a chance, lets go out and dance,
We can get into the groove, I can watch you move,
Later you can sing to me, like a shining star,
But I rather do you on the backseat of my car
Kylie, give me just a chance, lets go out and dance,
We can get into the groove, I can watch you move,
Later you can sing to me, like a shining star,
But I rather do you on the backseat of my car

Baby, take a minute, check me out,
I sit on the front row,
Baby, I'm the coolest guy in the crowd,
I'm sure you have seen me.

I'm dreaming about you every night; every night!

Kylie, give me just a chance, lets go out and dance,
We can get into the groove, I can watch you move,
Later you can sing to me, like a shining star,
But I rather do you on the backseat of my car
Kylie, give me just a chance, lets go out and dance,
We can get into the groove, I can watch you move,
Later you can sing to me, like a shining star,
But I rather do you on the backseat of my car

You drive me crazy, you slowly drive me crazy,
Red blooded baby, cant get you off my mind,
I should be lucky, I should be so lucky,
I should be lucky, to sleep with you tonight.

Kylie, give me just a chance, lets go out and dance,
We can get into the groove, I can watch you move,
Later you can sing to me, like a shining star,
But I rather do you on the backseat of my car
Kylie, give me just a chance, lets go out and dance,
We can get into the groove, I can watch you move,
Later you can sing to me, like a shining star,
But I rather do you on the backseat of my car

Kylie give me ...
