## Close my door

## Akeboshi

I close my door, I close my eyes, I close my mind Coz I don't wanna know
I close my door, I close my eyes, I close my mind Coz I don't wanna know, don't wanna know

I close my door, I close my eyes, I close my mind

Coz I don't wanna know
I close my door, I close my eyes, I close my mind
Coz I don't wanna know, don't wanna know

Cause I don't wanna know...
