Shot Down In Flames

Akira Yamaoka

Swear at the walls They make fun of me Day after day Eyes that follow me Is it you again? Endless be the end Forever?.. See through your eyes Child's heart that cries Raven flight, flies And the meaning dies As it was before It will be no more Time does that Say it again Like you said Does it sound like you? Where are you now? Does the young one know you're here? Breath on the glass Once again Feel her pour you in Nobody leaves You won't let you You're afflicted... Can you hide who you are? Take a look at yourself Can you stop what will be? You think running will help? Can't give up on the past When the past never ends Now the dead that you raised Live in me What have you done? You're insane Can you bring God down? Plans that you made Don't include me One more time But I will dance On the wind Breathing in your heart Your sacrifice Wasn't wanted Still you try Say it again Like you said Does it sound like you? Where are you now? Does the young one know you're here? Breath on the glass

Once again Feel her pour you in Nobody leaves You won't let you You're afflicted
