

If Nothing Is Pending, We Will See Results In Eight Days

Akissforjersey

In that day it was all new to us.
In that day I was ignorant.
Close your eyes, just let him take you, take you far away.
Just let him take you.

There's a problem with me, your foot in the door is unnecessary
.
There's a cause to believe that you lost your life in society.
She called me at a quarter 'til four, finally took her foot out
of the door.
Pack up your bags now.

Let's make your getaway!!
Getaway!! Make your getaway!!
Do you know what to say?
Make a getaway.

So silent, if silent is:
Everybody wasting, everybody's running.
Look for the rope, cause failures out of the question.
Come on, hit the mark, and were still running out of the dark.
But they keep gunning us, gunning us down.
We fall; we fall, only to get back up, back on our feet,
And we're swinging, keep your eyes open!!

There's a problem with me, your foot in the door is unnecessary
.
There's a cause to believe that you lost your life in society.
She called me at a quarter 'til four, finally took her foot out
of the door.
Pack up your bags now...

Were you scared of what you'd find? (8x)

Don't die this time, were you scared of what you'd find?
Just to move your mind?
Find, were you scared this time, baby? Where you scared of what
you'd find?
Close your eyes.
