As life goes on I'm starting to learn more and more about responsibility And I realize everything I do is affecting the people around me So I want to take this time out to apologize for things I have done And things that have not occurred yet And the things they don't want to take responsibility for

I'm sorry for the times that I left you home I was on the road and you were alone I'm sorry for the times that I had to go I'm sorry for the fact that I did not know That you were sitting home just wishing we Could go back to when it was just you and me I'm sorry for the times I would neglect I'm sorry for the times I disrespect

I'm sorry for the wrong things that I've done
I'm sorry I'm not always there for my sons
I'm sorry for the fact that I am not aware
That you can't sleep at night when I am not there
Because I am in the streets like everyday
Sorry for the things that I did not say
Like how you are the best thing in my world
And how I am so proud to call you my girl

I understand that there are some problems

And I am not too blind to know

All the pain you kept inside you

Even though you might not show

If I can apologize for being wrong

Then it's just a shame on me

I'll be the reason for your pain and you can put the blame on me

You can put the blame on me (4x) Said you can put the blame on me (3x) You can put the blame on me

Sorry for the things that he put you through And all the times you didn't know what to do

Sorry that you had to go and sell those bags Just trying to stay busy till you heard from Dad And you would rather be home with all your kids As one big family with love and bliss And even though Pops treated us like kings

He got a second wife and you didn't agree
He got up and left you there all alone
I'm sorry that you had to do it on your own
I'm sorry that I went and added to your grief
I'm sorry that your son was once a thief
I'm sorry that I grew up way too fast
I wish I would've listened and not be so bad
I'm sorry your life turned out this way
I'm sorry the FEDS came and took me away

I'm sorry that it took so long to see
They were dead wrong trying to put it on me

I'm sorry that it took so long to speak But I was on tour with Gwen Stefani I'm sorry for the hand that she was dealt For the embarrassment that she felt Just a little young girl trying to have fun Her daddy should never let her out that young I'm sorry for Club Zen getting shut down I hope they manage better next time around How was I to know she was underage in a 21 and older club they say Why doesn't anybody wanna take blame verizon out back disgracing my name I'm just a singer trying to entertain Because I love my fans I'll take that blame Even though the blame's on you (3x)I'll take that blame from you

And you can put that blame on me (2x) You can put that blame on me And you can put that blame on me
