The Fat Shit Pt. li

Akrobatik

Ah ah ah ah ah ah ah ah ah It like we could do like a series of those things anyways.. Fat Shit part 2, Like Fat Shit part like 25 I can take it wherever it go, yo, wherever it go Where's it going? Yes yes Come on Say what? About the Fat shit! Everybody bounce bounce Ak and Lif running shit down the line Ladies and Gentlemen-entlemen Ak and Lif runnin shit down the line Yo yo Y'all know the routine Hip Hop's dream team's back on the scene You're on your toes - the tips, son Recognize the way that we rip, son The law has been laid when Akrobatik and Lif's done What's your method of preparation for this lyrical devastation Educatin' with your verbal detonation Peep this demonstration that exposes my infatution with Rockin' the mic, the way the people like yo I inform Plus my style's been warm Now I'm hot past levels ever reached by mercury Hip Hop has a cancer and its a grave emergency Call in doctors Lif and Akrobatic for the surgery But scratch the anesthetic and ain't nothin sterile We bring it grimy plus we save the joint from its peril And you know who is brought on by the wicked But my nigga Mr lif came to burn 'em yo kick it Now you're epidermis and dermis is like a furnace Blood rises to the surface You erupt into a puddle of plasma Good to see you son, welcome to the after Ease up! Here's no f**king **?ear in a casbah?** Absorb life through every pore Till the essence of your being is very sore Stretched so far you can see what's next I've analyzed, measured The boundaries of your terror Jacked your data then advanced to thenever This is what the future holds More lives bought and sold In the land of the free yet controlled We're innocent never parolled As a courtesy the walk streets patrolled by incertainty Chaos is created as we hunt for security Have our codes and bombs provided any calm? You want the answer? Search no further than you have to Watch everybody panic every natural disaster

Fat shit! Everybody bounce bounce Ak and Lif running shit down the line Ladies and Gentlemen-entlemen Ak and Lif runnin shit down the line (2x)

Yeah once again you work soldier and bust it You take the western hemisphere I'll tke the eastern hemisphere We'll meet halfway in eight months And we'll do part 3
