

# I Want To Know

Al B. Sure!

I want to know  
Ooh, my baby can I hold you close to me?  
Always thinking about you and I know you know that  
That's why I can't get you off of my mind

Oh, when I was a little boy  
(Little little boy)  
I thought grown men were not supposed to cry  
But now that I'm all man, all man now  
I can't hold back the tears and I don't know why

I want to know, ooh baby, baby, baby  
I want to know, I want to know, I want to know  
It's all about you and me  
I want to know, oh, I want to know

Ooh, sweet baby  
Can I share sweet love with you?  
I want to know is there a future?  
That me what I've got to do, oh?

Am I wasting my time? I want to know  
Oh, don't you play with my mind  
Can I make love to you all night through  
Please don't say no, 'cause I do love you

I want to know, ooh baby, baby, baby  
I want to know, I want to know, I want to know  
It's all about you and me  
I want to know, oh, I want to know

Ooh, baby take away my insecurities  
And I'll always be strong for you  
I hope nothing will go wrong with us two  
Can I trust you when I'm gone away?

You can trust me each and every day  
Every day  
(I want to know)  
Break it down

Oh, they say that curiosity killed the cat  
And I know that satisfaction brought him back, hey  
Finders keeps, loser weeps  
I want to know
