

## All I Need

Al Green

I wanna tell you one last time, all I need  
Don't want no fussin, don't want no cryin  
You're everything to me

All I need, all I need, all I need  
Let me say you're  
All I need, all I need, all I need

Once over and again for the last time  
Something very wonderful is on my mind  
Can I say it twice?

All I need, all I need, all I need  
All I need, all I need, all I need

We can work it out with no delay  
We don't have to fight nor take all day  
Hear me now, hear what I say  
Hear my plea because

All I need, all I need, all I need  
I don't need nobody else  
All I need, all I need, all I need

All I need, all I need, all I need  
All I need, all I need, all I need  
All I need, all I need, all I need
