## **Back Up Train**

Back up the train

(Back up, train) Turn it around (Turn around) I've got to take my baby (Got to take my baby) Oh, wherever I'm bound I'm a lonely man Just a lonely man Need a helping hand Yeah, yeah Back up the train (Back up, train) Ease the pain (Ease the pain) Take me to my baby (Take me to my baby) I'm going insane So, mister conductor (Turn this train around) All you gotta do now (Turn this train around) ohh Music in my hand I'm a lonely man Need a helding hand Yeah, yeah So back this train up That all you gotta do now I'll never forget the Girl I left behind Her tears, her kiss Her face stay on my mind I got to make her say That she'll forgive me I gotta get back, so, ohh Baby, baby, baby, baby I need, I need your Loving right now, darling
