

# Dream

Al Green

I had a dream  
Thinking that you were gone  
Leaving me on my own

And you, you was there  
In some other's arms  
Giving away all my charms

And when I awake  
I want to hear you  
Filling my life with cheer

And when I come back  
You won't be alone  
Cause I'll be at home

Oh, me, oh, my  
Dreams in my arms  
With you at home with me

I'm so  
It was only a dream

Oh, me, oh, my  
Dreams in my arms  
Is all I have to hold  
Since you've been gone

I can be so good to you  
Help me, help me sing

Oh, me, oh, my  
Dreams in my arms  
Ever since you been gone  
I'm glad it's only a dream

And when I awake  
I want to hear you  
Filling my life with cheer

Come on back home  
Sometimes I dream  
About you, baby

Oh, me, oh, my  
Dreams in my arms  
Ever since you been gone
