

# He Is the Light

Al Green

There comes time in everybody's life  
when you're in trouble in you don't know what to do  
With Jesus by you let Him be your guide  
His anointing to hold on to

He'll be the light of the world  
When darkness is all around you  
He'll be your friend in time of trouble and time of need

Ever wonder why there's storms up the sky  
or is it that we never second thought  
With His outstretched arms he'll lead you on through the night  
He promised to hold on strong

Ohhh, He'll be the light of the world  
When darknes is all around you, Ohhh, Ohhh, Yeah  
He'll be your friend in time of trouble and time of need

Oh, hold on to His hand  
Hold on, real strong, Hold on, Ohh

He is the light of the world  
When darknes is all around you, Listen now, Ohhh  
He'll be your friend in time of trouble and time of need

Yeah, Oh  
He is the light of the world  
When darknes is all around you - You don't have to worry, now,  
Whoa, Yeah  
He'll be your friend in time of trouble and time of need

Ohh, Ohhh, Yeah  
He is the light, I'm so glad He is the light of the world  
Yeahhhh, Ohh, Yeah

He'll be your friend in time of trouble and time of need
