

# Here I Am (Come and Take Me)

Al Green

I can't believe that it's real  
The way that you make me feel  
A burning deep down inside  
A love that I cannot hide

Our love is you and me, baby  
That make the world go round  
And if keeping you and loving you means  
Layin' all my troubles down

Here I am, baby, come and take me  
Here I am, baby, come and take me  
Take me by the hand  
Show me  
Here I am, baby

It always ends up this way  
Me begging you every day  
A love that I cannot have  
You broke my heart into half

Our love is you and me, baby  
That make the world go round  
Keeping you and loving you means  
Laying all my troubles down

Here I am, baby, come and take me  
Here I am, baby, come and take me  
Take me by the hand  
Show me  
Here I am, baby

When I'm down I can always call you  
For a helpin' hand  
I know you'll do the best you can  
But it don't take much for me  
Before my cup runs over  
All this love inside of me  
I believe there's going to be an explosion

You can talk to me (oh, baby)  
I'm in no hurry  
Tell me all your troubles  
And you won't ever have to worry (no)  
(And one more thing)  
You just can't trust everybody  
Everybody you see (no no)  
You'll find yourself lost and alone  
On a darkened street

Here I am, baby, come and take me  
Here I am, baby, would you come and take me?  
Take me by the hand  
Show me  
Take me  
Show me, won't you?  
Here I am, baby

Take me, won't you?  
Teach me  
Won't you take me by the hand?  
Teach me  
Here I am, baby
