

# I Can't Stop

Al Green

I can't stop  
Just can't stop  
I can't stop  
I just can't stop from loving you  
I can't stop my hands from holding you  
There must be a reason why I feel so free  
No, I can't stop, no no no, I  
You and me, you and me

And I can't stop  
I just can't stop from holding you  
And I can't quit a love like this from consuming you  
There must be a reason why I feel so free  
No, I can't stop, no no no, I  
From loving you, you loving me  
Your love is more than I deserve  
Oh baby, you made me, gave me your love

Just can't stop  
No, I can't stop from loving you, no  
You keep me hanging on  
Of whatever I do  
There must be a reason why I feel so free  
No, I can't stop, no no no, I

No, I can't stop  
No, I can't stop  
No, I can't stop  
Just can't stop  
Oh baby  
No, I can't stop  
Just can't stop  
Oh hands, leave alone  
I know I can't stop  
Just can't stop  
No, I can't stop
