

# I'm So Lonesome I Could Cry

Al Green

Did you hear that lonesome whippoorwill  
He sounds too good to fly  
The midnight train whining low  
I'm so lonesome I could cry, cry

Did you ever seen a night so long  
When time goes crawling by  
The moon just went behind a cloud  
And I'm so lonesome that I feel I could cry, I could cry

Did you see, ever see a robin weep  
When leaves begin to die?  
Like me he's lost the will to live  
And I'm so lonesome I could cry  
[?] I could cry

The silence of a falling star  
Lights up a purple sky  
And as I wonder, wonder where you are  
I'm so lonesome I could cry, cry, I could cry

And as I wonder, wonder where you are  
I'm so lonesome I could cry  
If you let me, oh no  
[?]  
I wonder where you are  
I'm so lonesome I could cry  
It seems to me  
I'm so lonesome I could cry  
I could cry, I could cry
