

# Light My Fire

Al Green

You know that it would be untrue  
You know that I would be a liar  
If I were to come up to you and say  
Girl we couldn't get much higher  
light my fire  
light my fire  
Try to set the night on fire

The time for messin' around children is through  
and I ain't got time to wallow in the mire  
(huh ha ha excuse me)  
But darlin' we can only lose  
Yeah  
And and all our love become a funeral pyre  
But all I want you to do is  
Please baby  
light my fire  
stick a match stick a match to my fire  
Try to set the night on fire

Light my fire  
please please please  
light my fire  
light my fire  
try to set the night on fire

Oooh Teenie play your guitar

ooooooooooh

Baby light my fire  
all you gotta do is stick a match to my fire  
Ooh yeah  
Gotta set the night on fire

Ba-by  
Ba-by  
Oh we're workin ya'll  
We're workin' ya'll

I can see see us  
Comin' in the park  
Doin' something mighty good in the dark  
ha ha ha ha ha  
Yeow  
Baby...
