

# Love Is A Beautiful Thing

Al Green

This is what I believe..

Been so long since I met you  
And all the changes we've been through  
And all this time I can't forget you  
Everywhere I turn I think of you  
And I..I wanna love ya baby  
And you-ooh, you are all I need

Soul to soul, fire to fire  
Nothing's like this man's desire  
Love is a beautiful thing  
One to one, you and me  
Maybe it's our destiny  
Cos love is a beautiful thing  
It's so beautiful, beautiful

Love is such a sweet emotion  
I want to share it all with you  
Your trust and..endless devotion  
There ain't nothing in this world we can't do  
Tonight..I want to thank, thank you baby  
And you make my life complete

Soul to soul, fire to fire  
Nothing's like this man's desire  
Love is a beautiful thing  
One to one, you and me  
Maybe it's our destiny  
Cos love is a beautiful thing  
It's so beautiful, beautiful

...Somebody raise your hand now [beautiful, beautiful]  
...Ooooooooooh I know I know I know [beautiful,  
beautiful]

And I, I wanna touch you baby  
And you, you're all I need

Soul to soul, fire to fire  
Nothing's like this man's desire  
Love is a beautiful thing  
One to one, you and me  
Oh I know it's our destiny  
Cos love is a beautiful thing  
It's so beautiful, beautiful

Stay together through thick and thin  
Now I know I've got a friend  
Cos love is a beautiful thing  
Face our fears all through the years  
Now I know there are no more tears  
Loves is a beautiful thing

Soul to soul, fire to fire  
Nothing's like this man's desire  
Cos love is a beautiful thing

Ohhhhhh, you and me  
Oh I know it's our destiny  
Love is a beautiful thing  
It's so beautiful thing, it's a beautiful thing  
Love is a beautiful thing  
Yeahhhhhh  
Ohhh ohhhh  
Love is a beautiful thing  
It's so beautiful, beautiful  
You're so beautiful  
Beautiful, beautiful, beautiful, beautiful  
Beautiful beautiful, beautiful, so beautiful  
Let's stay together  
Cos I'm still in love with you  
Hold me, hold me for the good times  
I'm tired of being alone  
Here I am  
Beautiful, beautiful, it's a beautiful thing  
Don't let nobody change your mind  
It's a beautiful thing
