

# Nobody But You

Al Green

Darling you were meant  
For me, for me, for me  
Whatever you want baby  
You know I got it  
For you, for you, I want it for you

You make my dreams  
You make my life true, oh babe  
You make my life, oh my life's  
Gonna be alright too

Nobody but you, baby  
Nobody but you, nobody but you, nobody but you  
Nobody but you, baby, yes sir  
Nobody but you, nobody but you, nobody but you, yeah

Darling you, I'm not gonna hurry  
To explain that you are everything  
I can't refrain, I can't explain  
Hold my hand, hold my hand  
Please try to understand

You make my dreams  
You light up my life  
Oh boy, I'm  
I want you, I want you  
I want you in my life, hey, hey

Nobody but you, baby, hey  
Nobody but you, nobody but you, nobody but you  
You, baby  
Nobody but you, nobody but you, nobody but you

Can't you see, you're everything  
I've hoped for, yeah  
Everything I need, you are so beautiful

Nobody but you, baby  
Nobody but you, nobody but you, nobody but you  
Nobody but you, baby  
Nobody but you, nobody but you, nobody but you

Nobody but you, baby  
Nobody but you, nobody but you, nobody but you  
Nobody but you, baby  
Nobody but you, nobody but you, nobody but you
