

# Positive Attitude

Al Green

This song is for the people  
Those that live in doubt  
You won't have to scream  
You won't have to shout  
We've heard it over  
Time and time again  
There's someone I want you to meet  
He is my best friend

He will bless the right  
And condemn the wrong  
Come my sisters and brothers  
And sing this song

I've got a message for you  
Gotta have a positive attitude  
Nothing my God can not do  
When we have a positive attitude

The time is now  
To reach all the people  
Now what I'll do  
Is keep my mind on You  
Blessed assurance  
Jesus is mine  
Look beyond my faults  
Just one more time  
Please Lord, forgive me  
Try me one more time  
Your truth and devotion  
I can't deny

I've got a message for you  
Gotta have a positive attitude  
Nothing my God can not do  
When we have a positive attitude

Come on  
Can you play the solo  
So come on people  
Give your faith a try  
He will never let you down  
No His love you can't deny  
We have such a blessing  
In this opportunity  
Of going to our Father  
For our joy and assurance  
Blessed assurance  
Jesus is mine  
Want you to forgive me  
Just one more time

I've got a message for you  
Gotta have a positive attitude  
Nothing my God can not do  
When we have a positive attitude
