Smile a Little Bit More

I smile my heart disappears oh smile & move your burning feet so just smile a little bit more, a little bit more hey we just smile a little bit more, a little bit more oh dear can bring sudden rain i can think yea our turn to see the winds change soo smile all you gotta do is just smile in my heart i see the winter making me do over but iiii i don't mind

i just smile a little bit more a little bit more
