

## Strong As Death (Sweet As Love)

Al Green

Strong as death, sweet as love  
with the grace, of a dove  
Oh baby  
Let me in your life

We don't have that much time  
There's no need in us crying  
Hey baby  
I'm in the mood for love

If I could tell a story  
Of just how it was  
Before there was you and me  
Before there was love  
It was a sad affair

I got to go ahead with myself  
Before I find [?]  
Help me off the shelf  
Sweet baby

One more thing I got to say  
Strong as death,  
You're a power to be  
Sweet as love,  
To you and me  
Hey baby  
Take a chance on me

Strong as death, sweet as love

Hey let me just sing  
Strong as death, honey, sweet as love  
Strong as death, honey, sweet as love

Strong as love, sweet as love  
ah, you're playing to much music for me
