

# Up the Ladder to the Roof

Al Green

Come with me  
And we shall run across the sky  
And illuminate the night  
Oh I will try and guide you  
To better times and brighter days.  
Don't be afraid

Go up the ladder to the roof where we can see heaven much better.  
Go up the ladder to the roof where we can be oh closer to heaven.

Stay with me  
And we shall let expressions sing  
Hear freedom virtues ringing  
Oh memories of yesterdays broken dreams  
Don't you know they'll all fade away  
If you'll come

Up the ladder to the roof where we can see heaven much better.  
Go up the ladder to the roof where we can be oh closer to heaven.

We'll laugh and I'll tell you the story of love  
(How it is) and the happiness in it baby  
We'll combine our thoughts and together we'll travel  
To the fountain of loveliness.

I will never ever ever leave you alone to wonder  
As we go on  
Our love, it will grow much stronger stronger.  
Don't you wanna

Go up the ladder to the roof where we can see heaven much better.  
Go up the ladder to the roof where we can be oh closer to heaven.
