What a Wonderful Thing Love Is

Al Green

What a wonderful thing love is I can see you standing there now And you're the prettiest thing in the crowd And guess who'll be laughin' loud but me

You made me see the love that you're givin' me Baby, won't you hold my hand? Now, that kinda makes a fool understand Just let me know that I'm your man

And show I'm not ashamed I walk the floor when you leave me Baby, I don't know about you But let me tell what I'm gonna do I'm gonna try to make my dreams come true With you (baby) With you, baby, yeah,

(I wanna say)
I been cryin' without your love
The night time find me Wetting my pillow,
But I (yeah), I don't, I don't mind, no, but if you,
You just let me say it again
I've been cryin'
I wish our trouble would leave me alone
But, I've been cryin'
Oh, come on and stop the rain right now (yeah)
Stop the rain, stop the rain, stop the rain (yeah)

Baby, baby, yeah What a wonderful...
