

# Let Me Love You

Al Jarreau

Must have been that something you told me  
Whispered just the other day  
Said that you'd be leaving tomorrow  
But there's got to be some other way  
To bring you closer  
Can we look closer  
Would you stay with me

Let me hold you  
I can hold you longer  
Let me feel you  
'Til my heart is stronger  
Let me love you  
I can love you tenderly

I just can't believe that it's over  
You looked at me and said goodbye  
But deep inside my heart keeps on dreamin' baby  
Cause there's still that look of love in your eye  
When we were lovers  
So close to each other  
When our love was free

Let me hold you  
I can hold you longer  
Let me feel you  
'Til my heart is stronger  
Let me love you  
Yes, I can love you tenderly  
So tenderly  
Let me love you, tenderly

Love is patient  
Love is a gift  
Don't you know  
All this time  
I have been searchin  
For a love land  
Where we can live, together

Live forever  
Live together  
Live forever  
Would you stay with me

Let me hold you  
I can hold you longer  
Let me feel you  
'Til my heart is stronger  
Let me love you  
I can love you tenderly
