

Says

Al Jarreau

She says it's me
I like it
She says it's we
I like it
She says that we
Should try it
More us more we
I buy it
And after all
She says it's
Her best of all
And does it
So why wonder
Why question why
When she says

She says she's been to Corcovado
The Cote d'Azure and Monte Carlo
She says but when you think it all through
It don't compare to where we're going to
I've never been to Corcovado
But I've seen Milwaukee and Chicago
I'll go to Jupiter to be with her

Elle dit c'est moi
C'est super
Je dit c'est toi
C'est super
Pour nous ca va
C'est super
Ca va de soit
C'est super
Et pourquoi pas
C'est super
On ce ferra
C'est super

She says toi
She says moi
She says la
She says ca va

So why wonder why, question why
What she says
