Since | Fell For You

When you give love and never get love, You'd better let love depart, I know it's so and still I know, I can't get you outta my heart.

You made me leave my happy home, You took my love and now you're gone, Since I fell for you.

My life has been such misery and pain, I guess I'll never be the same, Since I fell for you.

Well, it's too bad and it's too sad, That I'm in love with you. Well, you love me and then you snub me, But what can I do... I'm still in love with you.

I guess I'll never see the light, I get these blues most every night, Since I fell for you.

Well, it's too bad and it's too sad, That I'm in love with you. Well, you love me and then you snub me, But what can I do... I'm still in love with you.

I guess I'll never see the light, I get these blues most every night, Since I fell for you.

Since you love me... then you snub me, I prayed you'd put the world above me, And now I ... black and blue... scoo, doo, doo, doo... Since I fell for you Al Jarreau
