

For Me And My Gal

Al Jolson

The bells are ringin' for me and my gal
Birds are singin' for me and my gal
Everybody's been knowin', to a weddin' they're goin'
And for weeks they've been sewin' every Susie and Sal

They're congregatin', bathin', waitin'
Fore me and my gal
The Parson's waitin'
For me and my gal

And sometime we're gonna build a little home
For two or three or four or more
In Loveland for me and my gal
