

## Little Pal

Al Jolson

Little Pal, if Daddy Goes away  
Promise you'll be good from day to day  
Do as Mother says and never sin  
Be the man your Daddy might have been  
Your Daddy didn't have an easy start  
So this is the wish that's in my heart

What I couldn't be, Little Pal  
I want you to be, Little Pal  
I want you to laugh and to sing and to play  
And be good to Mother while Daddy's away

Each night how I'll pray, Little Pal  
That you'll turn out right, Little Pal  
So till we meet again  
Heaven knows where or when  
Pray for me now and then, Little Pal
