This Diamond Ring

Al Kooper

Who wants to buy this diamond ring ? She took it off her finger now It doesn't mean a thing

This diamond ring doesn't shine for me anymore and This diamond ring doesn't mean what it did before So if you got someone whose love is true Let it shine for you

This stone is genuine like love should be And if your baby's truer than My baby was to me

Then this diamond ring can be something beautiful And this diamond ring can be dreams that are coming true Then your heart won't have to break like mine did If there's love behind it
