

Close To You

Al Martino

Close to you
I will always stay
Close to you
Though you're far away
You'll always be near
As though you were here by my side
No matter where
In my dreams I'll find you there

Close to me
Sharing your caress
Can't you see

Your my happiness
Wherever you go
My heart will go too
What can I do
It only wants to be
Close to you

Wherever you go
My heart will go too
What can I do
It only wants to be
Close to you
