## **Close To You**

Close to you I will always stay Close to you Though you're far away You'll always be near As though you were here by my side No matter where In my dreams I'll find you there

Close to me Sharing your caress Can't you see

Your my happiness Wherever you go My heart will go too What can I do It only wants to be Close to you

Wherever you go My heart will go too What can I do It only wants to be Close to you
