

# My Heart Would Know

Al Martino

My lips could tell a lie  
But my heart would know

I could say it's over now  
That I was glad to see you go  
I could hate you  
For the way I'm feeling

My lips could tell a lie  
But my heart would know

It's a sin to make me cry  
When you know I love you so  
I could tell my heart  
That I don't miss you

My lips could tell a lie  
But my heart would know

I can't fool my crying heart  
Cause it knows I need you so  
I could tell my heart  
I'm glad that we parted

My lips could tell a lie  
But my heart would know  
My lips could tell a lie  
But my heart would know
