

# The Story Of Tina

Al Martino

The story of tina began in the spring time  
When tina was sweet seventeen.  
The boy said he loved her and she gave a promise  
The truest that ever has been.

And then came the wedding one morning in may  
And still they are sweethearts  
Though years roll away  
The story of tina is loves grand adventure  
As sweet as a love song can be  
The story of tina and me

And then came the wedding one morning in may  
And still they are sweethearts  
Though years roll away  
The story of tina is loves grand adventure  
As sweet as a love song can beeeee  
The story of tina and meeeeeeeeeeeeeee
